

QUALITY POLICY

We provide an aircraft engine stand and tools leasing service for Airlines, MROs, engine repair shops, leasing companies, freight forwarders and other customers around the world. We offer high-quality equipment lease for your preferred period of time in order you could productively carry out maintenance operations. All our engine stands are checked according to the highest standards and quality requirements. We aim to provide engine stands to our clients as quickly as possible and in this way contribute to the client's project success.

JSC „Locatory.com“ top management:
